

SUSTAINABILITY POLICY

Policy Statement

Ian Farmer Associates are committed to promoting sustainability. Concern for the environment and promoting a broader sustainability agenda are integral to our professional activities and the management of the organisation. We aim to maintain an effective, internationally accredited environmental management system and to follow and promote good sustainability practice. In addition we will strive to reduce the environmental impacts of all our activities and to help our clients and partners to do the same. The following principles have been adopted by us;

- To maintain BS EN ISO 14001: 2004 accreditation.
- To comply with, and exceed where practicable, all applicable legislation, regulations and codes of practice.
- To integrate sustainability considerations into all our business decisions.
- To ensure that all staff are fully aware of our Sustainability Policy and are committed to implementing and improving it.
- To minimise the impact on sustainability of all office and transportation activities.
- To make clients and suppliers aware of our Sustainability Policy, and encourage them to adopt sound sustainable management practices.
- To regularly review and to continually strive to improve our sustainability performance.

The undersigned is responsible for formulating, implementing and revising the policy on an annual basis.
